

Project Structure for Denbighshire's Telecare/health Strategy - Draft

Housing Commissioning Group

As part of the Health, Social Care & Well-being structures this Group will report to the Denbighshire Older People's Partnership Board, the Physical and Sensory Impairment Group and the Strategic Planning Group for Learning Disabilities. The Group will act as the Steering Group for the development of Telecare/Telehealth services within Denbighshire.

Housing Commissioning Stakeholder Group (initially focussing on Telecare/Telehealth)

A forum where members can exchange information on related developments initially focussing on Telecare/Telehealth.

Time-Limited Senior Task & Finish Group

To enable the development/planning of pilot schemes funded through Joint Working Grant slippage as part of the change process and to establish protocols and care pathways.

Professional Frontline Advisory Panel

To raise awareness amongst professionals providing a channel for any issues, concerns and/or ideas to be addressed.
